

DURAMAX

Inspiring the future generations of welders

WHY DURAMAX?

DuraMax was conceived and actualized in order to provide welders and welding shops with the premium products, support, and service they deserve. We bring world class service in a fun and friendly manner, making the customer our priority.

Not only does DuraMax supply quality goods, we can be counted on to provide much needed data. Welding parameters are found both on our website and directly on our boxes; an industry first! Product certifications and material safety data sheets can be obtained directly from DuraMaxWelding.com, saving our customers both time and effort.

DuraMax is creating a community that relies on each other to benefit the welding industry as a whole. Currently there is a need for trained and motivated welders. DuraMaxWelding.com addresses this need by connecting its customers with skilled welders. We also believe in leaving our world a better place than we found it. By supporting community outreach programs like Emily's Entourage for Cystic Fibrosis and Cradles to Crayons for low income and homeless children, we try to achieve this. Please visit DuraMaxWelding.com or contact us directly to see how you can help.

PROGRAMS WE SUPPORT:

CRADLES TO CRAYONS

Cradles to Crayons provides children from birth to age 12, living in low- income and homeless situations, with the essential items they need to thrive – at home, at school and at play. We supply these items free of charge by engaging and connecting communities that have with communities that need.

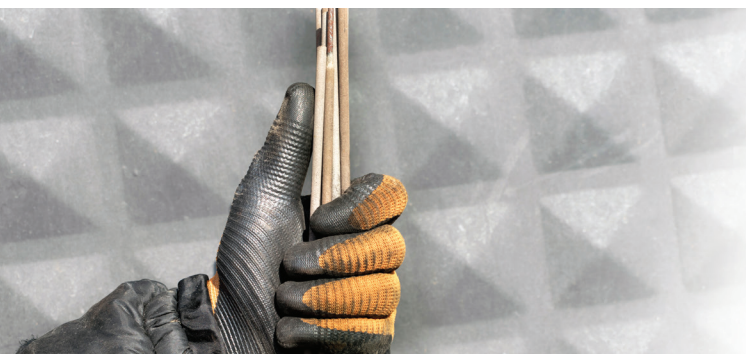

EMILY'S ENTOURAGE

Emily's Entourage is a nonprofit organization that raises money and awareness to help find a cure for rare mutations of cystic fibrosis, a genetic disorder that generally affects a person's lungs and digestive system.

DURAMAX

Inspiring the future generations of welders

ELECTRODES

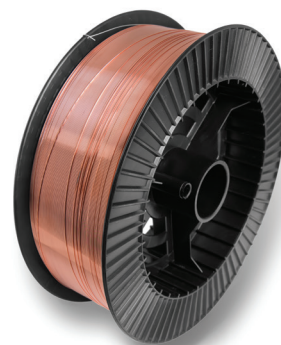

- Aluminum Electrodes
- Cobalt Electrodes
- Nickel Electrodes
- Stainless Steel Electrodes
- Steel Electrodes

DURAMAX PRODUCT CATEGORIES

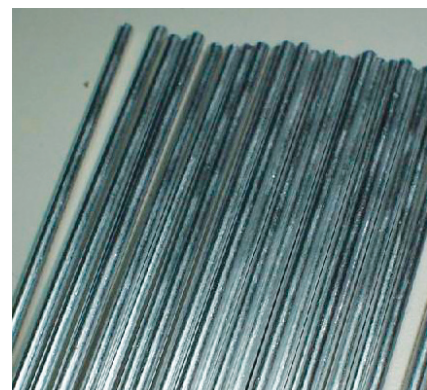

FLUX & METAL CORED

- Cobalt Flux Cored Wire
- Stainless Steel Flux Cored Wire
- Steel Flux & Metal Cored Wire

TIGS

- Aluminum Tig Wire
- Chrome Moly Tig Wire
- Cobalt Tig Wire
- Copper & Copper Alloys Tig Wire
- Nickel Alloys Tig Wire
- Stainless Steel Tig Wire
- Steel & Low Alloy Tig Wire

MIGS

- Aluminum Mig Wire
- Chrome Moly Coil
- Chrome Moly Mig Wire
- Copper & Copper Alloys Mig Wire
- Nickel Alloys Mig Wire
- Stainless Steel Mig Wire
- Steel & Low Alloy Mig Wire

ACCESSORIES

- Abrasives
- Safety Equipment
- Chemicals
- Torch Accessories and Consumables
- Hand and Power Tools
- Regulators and Pressure Gauges
- Marking/Layout Tools
- Welding Cable and Accessories
- Hoses
- MIG and TIG Consumables
